

# ELEVATING FABRICATION THROUGH TURRET PUNCHING TOOL INNOVATION WEBINAR

What is the **definition of NCT** and how does **AMADA elevate its technology** through this mechanism ?

What is **AMADA's solution to overcome common bottleneck** in punch press operations ?

Are you aware of **the importance of tooling maintenance** and the consequences of neglecting it ?

Why should you **invest in AMADA tooling**, and why it is worth ?

Join us for an exclusive session where you'll discover about AMADA NCT Tooling Technology and stay ahead in this engineering.

**14<sup>TH</sup> MAY 2026 (THU)**
