

# The Versatility of "COMBI TECHNOLOGY" Seminar

## Seminar Topics

- Combination Process
- Combination Techniques
- Special Forming Tool
  - Locating Tool (for easy assembly)
  - V-Cut Tool (new innovation).
  - Amada Rapid Forming Tool (ARFT)
- Amada Latest Combination Series
- Engineering Proposal (Monozukuri)

### Webinar Agenda

**10:20 am ~**

- Online Attendance Confirmation

**10:30 am ~ 11:30 am**

- Welcome Speech
- Seminar
- New Engineering Solution Introduction
- Q&A

### In-House Seminar Agenda

**10:00 am ~**

- Registration

**10:30 am ~ 11:45 am**

- Welcome Speech
- Seminar
- Q&A
- New Engineering Solution Introduction

**11:50 am ~ 12:30 pm**

- Machine Demonstration
