

You can input directly to entry form. <https://www.amada.co.jp/fair/eng/info/index.html>  
 Please fill in the entry form printed, and send it along with the product.  
 And you can download an entry form from website.

## THE 34th PRECISION SHEET METAL TECHNOLOGY FAIR ENTRY FORM (please type or print.)

|                                  |                        |
|----------------------------------|------------------------|
| ◆Company Name _____              | ◆Name of contact _____ |
| ◆Office Address _____<br>〒 _____ |                        |
| ◆Phone _____                     | ◆FAX _____             |
| ◆E-mail _____                    | ◆URL _____             |

◆Identify Competition Category

|  |  |
|--|--|
| <input type="checkbox"/> ① Sheet metal parts (Single sheet fabrication)<br><input type="checkbox"/> ② Sheet metal assemble parts (Assembly of parts)<br><input type="checkbox"/> ③ Welding fabrication (Welding technology & skills) | <input type="checkbox"/> ④ Formative arts fabrication (Idea and impression of formative arts)<br><input type="checkbox"/> ⑤ Students' fabrication (Fabricated by students) |
|--|--|

|                     |  |
|---------------------|--|
| ◆Product Name _____ | ◆If the contest part is one piece of an assembly, please include the final assembly name.<br>_____ |
|---------------------|--|

◆Summaries of Product

|   |   |
|---|---|
| ① Accuracy $\pm$ _____ mm   | ⑤ Thickness _____ mm  |
| ② Program time _____ min.   | ⑥ Product Type <input checked="" type="checkbox"/> Please mark.<br><input type="checkbox"/> Prototype <input type="checkbox"/> Production <input type="checkbox"/> Original |
| ③ Total Process Time <u>One piece</u> _____ min.<br>※1 <u>Total</u> <u>Quantity</u> | ⑦ Dimension<br>Width _____ mm × Length _____ mm × Height _____ mm   |
| ④ Material Type _____   |   |

※1 Please write the real processing time that doesn't contain the pre-arrangements (program and metal mold preparation, etc.) at the processing time.

Information of submitted product and organization (company) will be widely publicized to website, portfolio, advertising, newspapers, magazines and in lectures.

Please mark non-public information, if necessary.  
 Company Name or School Name  Work Picture  Others \_\_\_\_\_

※Please fill in the back.

PRECISION SHEET METAL TECHNOLOGY FAIR Secretariat frame

|      |      |                      |     |
|------|------|----------------------|-----|
| Date | Area | The person in charge | No. |

◆Processing Method

(Example)

|           |               |                    |                   |         |                   |               |        |
|-----------|---------------|--------------------|-------------------|---------|-------------------|---------------|--------|
| Processes | Design(3D/2D) | CAD/CAM            | Blanking          | Tapping | Bending           | Welding       | Finish |
| Machine   | SheetWorks    | AP100LE<br>VPSS 3i | EM-ZR<br>ENSIS-AJ | CTS     | HG, HRB<br>HG-ARs | ID, VC<br>FLW | Polish |
| Processes |               |                    |                   |         |                   |               |        |
| Machine   |               |                    |                   |         |                   |               |        |

◆Technical Point of Processes / Schematic Drawing of Process

※Process method will influence our judgment significantly. Please enter your processing method information and innovation points as much as possible.. ( Time reduction, QCD, etc. )

Please attach a sample form and a data (preference: A4 size) for this information separately if below box is not big enough.

◆Additional requirements

Please enter the occasion with the designation in the angle of the picture and exhibition method.

( We are afraid that sometimes we can't meet your request. )

Apply rust and corrosion preventative, such as clear lacquer finish, before shipment as necessary.

Fully complete the entry form and attach to part entered in competition.

By entering any part in this competition, the applicants agree to be bound by all conditions of this Fair.
